

Adapted Summer Classes for Special Needs

The LISD Community Ed Department, in conjunction with LISD Special Education PTSA, will be offering 4 pilot classes this summer for children with special needs. Instructors will be supplemented with volunteers to ensure an adequate ratio of instructors to students.

Registration begins Monday May 2nd, and there will only be a limited number of class spaces, so priority will be given to students who register in May.

When you register, please provide as much specific information as possible about the nature of your child's special needs, so that proper accommodations can be made to ensure a successful and enjoyable class experience. You can register online or by contacting the Community Ed Department at 469-713-5997.

Online Registration (Opens May 2nd): <http://www.lisd.net/commed/>
Course Description (page 11): <http://www.lisd.net/commed/2011MiniCampSchedule.pdf>

Adapted Gymnastics

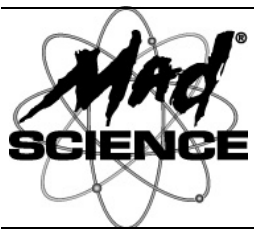

This class is for children of any age who require special attention. The summer program will use the basic gymnastics equipment and other fun activities to teach the athletes their skills.

By Denise Anderson, Special Needs Gymnastics

July 12 and 14, 1-3 pm, Parkway Elementary

Code 10-11SAC1

\$52

Adapted Science Exploration

Students will perform unique, hands-on experiments appropriate to their age and skill level. By Mad Science

July 19 and 21, 1-3 pm, Parkway Elementary

Code 10-11SAC2

\$52

Adapted Music

Move, sing and learn! Students will enjoy music and play while developing and strengthening cognitive, motor, communication, and social skills. Interventions include singing, instrument-playing and movement, and are enhanced through the use of books, visuals and props. By Just for ME! Music Therapy

July 26 and 28, 1-3 pm, Parkway Elementary
