

Destination ImaginNation

Do you like to act? Do you like solving problems and puzzles? Do you want to design costumes and write skits? Then DI is the place for you!

Destination ImaginNation is an extra curricular activity that centers around problem solving, creativity and team work. The teams are given two challenges to solve. One they prepare for and one is an instant challenge. The children work independently (with adult supervision) to create a solution for their main challenge. The children are grouped K-2 and 3-5.
