

“Honor with Books”

Birthdays, 5th Grade Graduation, Teacher Appreciation Week, Retirement – there are lots of occasions to honor someone in your life! What better way than to place a book in the McAuliffe library in their name? You or your honoree can pick a book from our selection to be placed in the library for all to enjoy. A nameplate with their name and the occasion being celebrated will be placed in the book. Books can be donated by individuals or from families. All donations to “Honor with Books” are tax deductible.
