Contact information: Karen Burkard 214-316-8267 / melsamar@verizon.net

(please fill out both sides)

Math and Chess Club

2009-2010

This year's Math and Chess Club will begin Oct. 17th. It is open to 4th and 5th graders at McAuliffe Elementary School who are interested in participating. It will meet in Mrs. Field's room (classroom 115A) beginning right after school until 4:00pm. We will meet Tuesdays, 2 times a month. Oct. dates are the 13th and the 27th.

The purposes of the Math and Chess Club are to cultivate an interest in math and chess, enhance the enjoyment of both, deepen understanding of math concepts, learn strategies for playing chess, and encourage participation in math competitions.

If you would like to attend, please fill out the information below:
