What is the PTA?

Collaboration: We work in partnership with a wide array of individuals and organizations to accomplish our agreed-upon goals. **Commitment:** We are dedicated to promoting children’s health, well-being, and educational success through strong parent, family, and community involvement. **Accountability:** We acknowledge our obligations. We deliver on our promises. **Respect:** We value our colleagues and ourselves. We expect the same high quality of effort and thought from ourselves as we do from others. **Inclusivity:** We invite the stranger and welcome the newcomer. We value and seek input from as wide a spectrum of viewpoints and experiences as possible. **Integrity:** We act consistently with our beliefs. When we err, we acknowledge the mistake and seek to make amends.

What does the PTA do?

As the largest volunteer child advocacy association in the nation, Parent Teacher Association (PTA) reminds our country of its obligations to children and provides parents and families with a powerful voice to speak on behalf of every child while providing the best tools for parents to help their children be successful students.

McAuliffe PTA Mission Statement

Our PTA is a not-for-profit association of parents and educators who work to enhance the educational opportunities of all McAuliffe students. As volunteers, we are united in supporting the McAuliffe staff and students in ways to make our school a safe and successful place for our children.

Why YOU should get involved:

Get Connected. There’s no better way to know what’s happening in your school. **Discover Great Resources.** The PTA offers a variety of programs designed for parents as well as students. **Tap into a Network.** PTA functions are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind. You can share ideas, concerns, and experiences. **Watch Yourself Grow.** By volunteering with your PTA, you put your skills and hobbies to use for a noble cause—your child and all children in the community. **Speak Up.** PTA can be a way for you to more effectively suggest change at your child’s school. **Witness Improvement.** By getting involved at your child’s school you’ll be part of the solution, helping make positive changes. Local PTAs play an important role in fundraising to provide building improvements, curriculum-based programs, and social events. **Be a Role Model.** By becoming a PTA member, you’ll be demonstrating to your child the importance you place on education.
