

**McAuliffe Elementary PTA is proud to announce  
Complimentary Individual Memberships in honor of  
McAuliffe's 25<sup>th</sup> Anniversary:**

Your PTA would like to offer a **single membership to each household** for the current school year. (2011/2012) Our goal is to make PTA accessible to every family. Our ongoing passion for our school, staff, and most importantly our children, all guided this decision. We welcome you to join as a family, which will only cost you the price of a single membership, as we will cover the other half. PTA is about Parents and Teachers working together and we are incredibly proud to serve at such a dynamic school. Without the cooperation between PTA and our school vital programs would be lost. We cherish our Challenger Publishing! We love our Visiting Authors and Reflections. We look forward to field trips and class parties. We work to provide important supplies that current budget issues make buying difficult, if not impossible. What we can do together would fill pages and pages of exciting opportunities. With your help, the magic happens. We can send them to school to learn, or we can send them to school to **love learning**.

**We hope that you will join us as we press forward into a new year full of exciting changes and another 25 years of GREATNESS!**

**Please circle the Membership of your choice!!**
