

## **NO MORE “BLOCKS” ON LUNCH ACCOUNTS**

The State of Texas will no longer allow ‘blocks’ on children’s lunch accounts. Therefore, neither I nor my staff can continue to monitor student’s ala carte purchases. However, a way to control what ‘extras’ your student purchases is by setting up their account to only allow ‘extra’ or ‘ala carte’ items to be purchased with cash.

This new policy will begin immediately. If you do not want your child to purchase double entrées, ice cream or any other extra item on a daily basis, you must notify me in writing and I can have their account restricted to “cash only for extras”. This includes ALL extras. Please send milk money or ice cream & goodie money on the days you want them to have it.

Unfortunately, we will not be able to limit your student’s daily purchases, unless we are notified in writing with a signature by the parent or guardian of that child.

I apologize for the inconvenience. If you have any questions, please contact Beverly McFadden at the LISD Child Nutrition Department at 469-713-5207.

Thank you.
